December 7th, 2025
2nd Sunday of Advent

Today's Theme

In yet another contradiction, on Peace Sunday we hear John the Baptist warning the people he just baptized. How do we reconcile the Peace of Christ with the chaff burnt in “unquenchable fire”?

* Indicates stand as you are able.

The congregation shall read the **bold-faced print**.

Gathering

Lighting of the Advent Candles:

One: Peace is a star.

All: **Shining, brilliant even in the midst of war, uncertainty, and turmoil.**

One: Peace is a state of mind, a lighter perspective, a starry view on life. We are invited to turn upward, outward, beyond ourselves.

All: **Peace is an inviting star.**

**Introit:* VU 7 Hope is a Star, verse 2

Opening Prayer

Come, Emmanuel, into this heart we share as your people, as your body in Christ, your church. Come, Emmanuel, meet us in the frailty of our human existence. Come, Emmanuel, find us in our longing and desire for serenity and peace. Come, Emmanuel, dance with us. Come, Emmanuel, light up our hearts. Come, Emmanuel, use us to prepare the way for a new

day, where we recognize you and cherish your earth: star and soil, breath and light, this moment and every moment, your gift to each of us in life itself. Come, Emmanuel, our hope is in you.
